

## **2026 SERAMOUNT CALL FOR SPEAKERS SUBMISSION INSTRUCTIONS & TIP SHEET**

Thank you for your interest in speaking at a Seramount Event! To help ensure a smooth process for all applicants, we ask that each speaker submit one [Speaker Submission Form](#).

This form includes 2026 Seramount Events and is optimized to allow speakers to submit for consideration at multiple events.

### **DEADLINE**

Submissions are accepted on a rolling basis through **April 1, 2026**.

### **SPEAKER APPLICATION AND SELECTION PROCESS**

- Review this tip sheet in full before completing your application. This sheet includes submission requirements, dates, target audiences, and specific objectives for each event.
- Approximately 6-8 weeks after submission, Seramount's programming team will begin reaching out to speakers to schedule exploratory calls. Exploratory calls give speakers the opportunity to share more about their background and areas of expertise. They also allow Seramount's programmers to ask questions about content and the submission within the context of the larger event programming plans.
  - An application is not a guarantee for an exploratory call.
  - An exploratory call is not a guarantee of speaker confirmation.
- Speakers will be selected based on submission quality and conference programming needs. Not all submissions will be selected for our 2025 events, but we will keep submissions on file for consideration for future speaking opportunities.
- Selected speakers will receive a confirmation letter and a complimentary pass to the conference where they have been confirmed to speak.

### **ADDITIONAL INFORMATION**

- Speakers are not guaranteed solo sessions/keynotes. Confirmed speakers may be paired with speakers from other companies to speak on different angles and perspectives of a similar topic.
- Sessions vary in length. Typically, workshops and panels will be 60-75 minutes in length. Case study presentations are typically 10-15 minutes and paired with other company case studies as part of a 60-75-minute session.
- Audience Q+A / engagement is a part of all sessions.
- Speakers are paid on a case-by-case basis. Compensation eligibility depends on various factors including company affiliation. Seramount partners and employees of similar corporate entities are not eligible for compensation. We work with paid

speakers to cover any necessary travel costs and meet speaker rates within our budgets for keynotes, workshop delivery and occasionally panel and other presentations. Please inquire within if you have further questions on speaker payment.
