Dinner and Discussion

Discussion Topics

- **Introduction to SeramountCulture**

Learn more about Seramount's evolving culture brand and the broader lens it brings to the work of people and organizational leadership.

- **Leading Inclusion in a Changing Environment**

Explore Seramount's latest findings on the state of corporate culture and inclusion, and how an evolving business and societal landscape is reshaping leadership priorities while organizations remain focused on attracting, engaging, and retaining talent.

- **What's Keeping Leaders Up at Night**

Engage in a candid peer exchange on the priorities, pressures, and emerging challenges demanding executive attention:

- What are the most consequential culture and talent priorities facing your organization?
- Where could peer insight and collective problem-solving help you move forward?
